V. When a claim is forwarded to the board by the secretary of state, the board shall schedule such claim for a hearing no later than the next succeeding quarterly meeting of the board, if the board has met in the current quarter or not enough time is left within said quarter to comply with the notice required pursuant to paragraph IV. Upon the request of any party, the board may continue any claim until a succeeding quarterly meeting in order that the party may perform necessary and adequate discovery.

VI. The claimant may represent himself or he may be represented by an attorney. The claimant may subpoena witnesses and compel their attendance, and also may require the production of books, papers and documents. The attorney general shall represent the agency.

I. All claims arising out of any single incident against any agency for damages in tort actions shall be limited to an award not to exceed \$475,000 per claimant and \$3,750,000 per any single incident, or the proceeds from any insurance policy procured pursuant to RSA 507-B, whichever amount is greater; except that no claim for punitive damages may be awarded under this chapter. The limits applicable to any action shall be the limits in effect at the time of the judgment or stipulated settlement.

IV. Any claim submitted under this chapter shall be brought within 3 years of the date of the alleged bodily injury, personal injury or property damage or the wrongful death resulting from bodily injury. As a condition precedent to commencement of the action, the agency shall be provided written notice within 180 days after the time of the injury or damage as to the date, time, and location the injury or damage occurred. The lack of written notice shall not bar a claim unless the agency can show by a preponderance of the evidence that its ability to defend against the action was substantially prejudiced thereby. Such notification may be made either by the claimant or an appropriate representative of the claimant.

→ **541-B:18 Attorneys' Fees.**

No attorney representing a claimant shall charge or collect fees for legal services rendered to the claimant unless the fees have been approved by the board or the superior court, as the case may be. In determining the amount of allowable fees, the board or the superior court shall consider, among other things, the nature, length, and complexity of the services performed, the usual and customary charge for work of like kind, and the benefits resulting to the claimant as a result of the legal services performed.

→ **541-B:19 Exceptions.**
